Each short-listed entrant will receive written confirmation, by the 23rd October 2017, of their time slot for presenting to the judging panel. The judging is kept to strict timescales and it is asked of each entrant that they ensure they arrive on time and that their presentation does not run over. If late, this may result in the company being withdrawn from the Awards. Guidelines will be sent out in advance of the judging. Times, dates and locations may vary and advance notice will be given. The LPI accepts no responsibility for loss of monies in this instance.

All judging will take place at BCS, The Chartered Institute for IT, First Floor, The Davidson Building, 5 Southampton Street London WC2E 7HA
