COUNTRIES IN WHICH THE LPI OPERATES

“Learning needs a champion, especially in today’s business climate. LPI is that voice ... innovative and open-minded ... and a place where the learning industry as a whole can meet to share ideas and move the discipline forward.”

Kevin Streater FCMI CMgr FLPI FBCS CITP MIET
Vice President, ForgeRock University

“The LPI has been a key player in professionalising learning and development in the workplace and challenging established practices that didn’t necessarily benefit the learner. It plays a vital part in setting professional benchmarks and in giving its seal of approval to the best of learning and development provision.”
